

INTERact 

Introduction to Interreg Project Management

Interreg Project Management Camp
12-15 September 2017 | Utrecht, The Netherlands
 @InteractEU

Kelly Zielniewski, Interact Programme

European Regional Development Fund

What is a project?

What is project management about?

- Defining objectives
- Planning activities
- Organising resources
- Motivating people
- Controlling resources
- Setting up procedures

In order to:

- ... achieve specific goals
- ... at agreed quality
- ... within specific timeframe

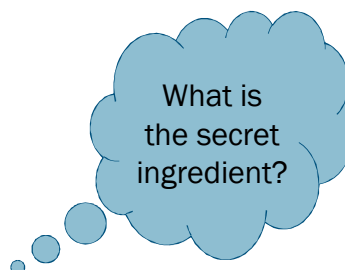

Why is Interreg project management special?

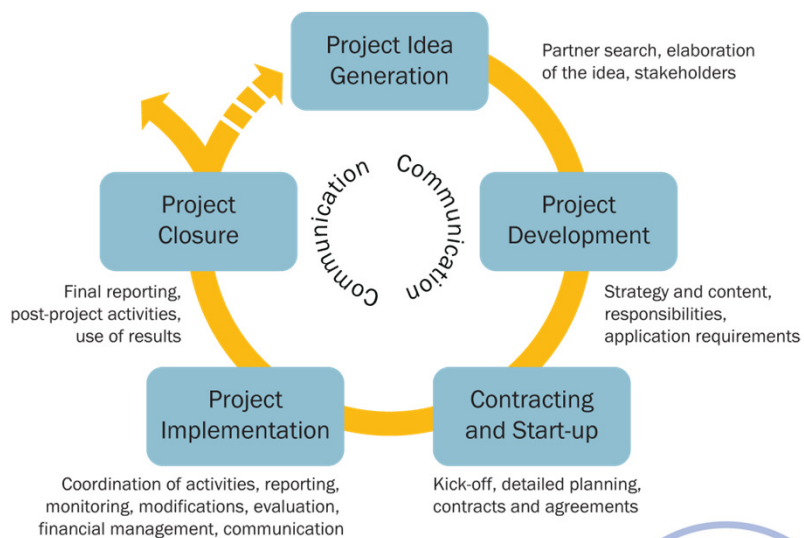

- Mix of working cultures and languages
- Mix of partner types & expertise
- Remote team work
- Defining a shared understanding
- Need for partner liquidity
- Meeting European reporting, control and audit requirements
- Lead Partner principle

...

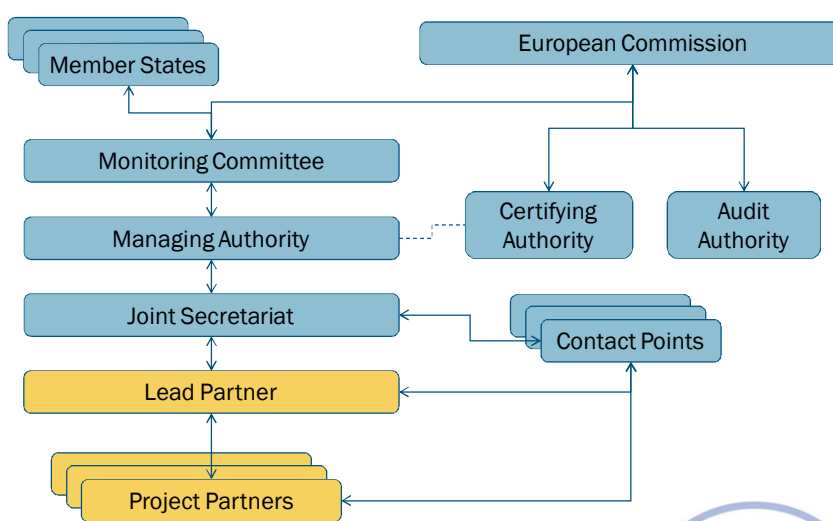

= more complex project management!

The project lifecycle

Programme structure

Cooperation works
