

EUROPEAN COOPERATION DAY

Sharing borders, growing closer

European Cooperation Day 2018

WHAT? It takes place on **21 September** and the surrounding weeks. However, flexibility! Programmes organise events (concerts, film festivals, gastronomic fairs, workshops, drawing contests, bike runs...) 2018 - European Year of Cultural Heritage... an event related to this?

TARGET GROUP - European **citizens** who are normally not involved in EU-related events. The local events address specific groups of citizens (for example: school children, young people...)

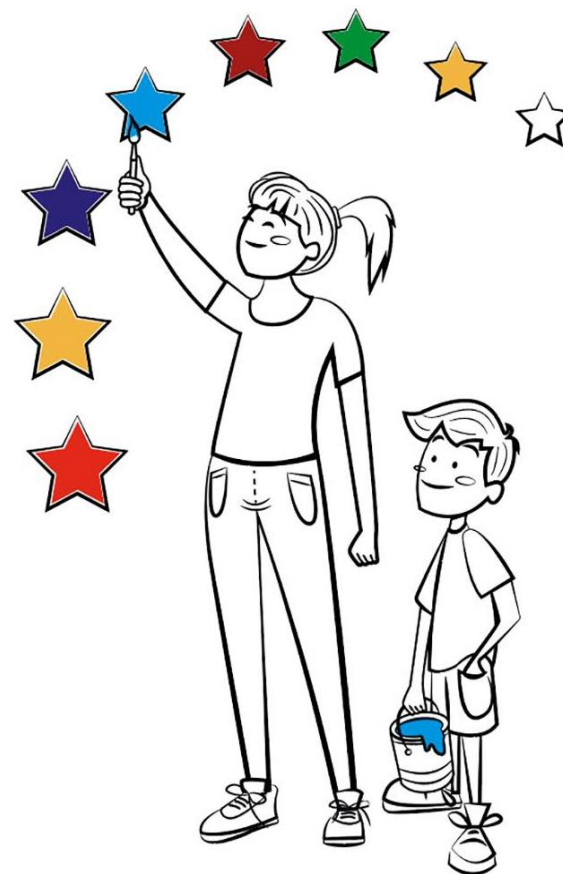

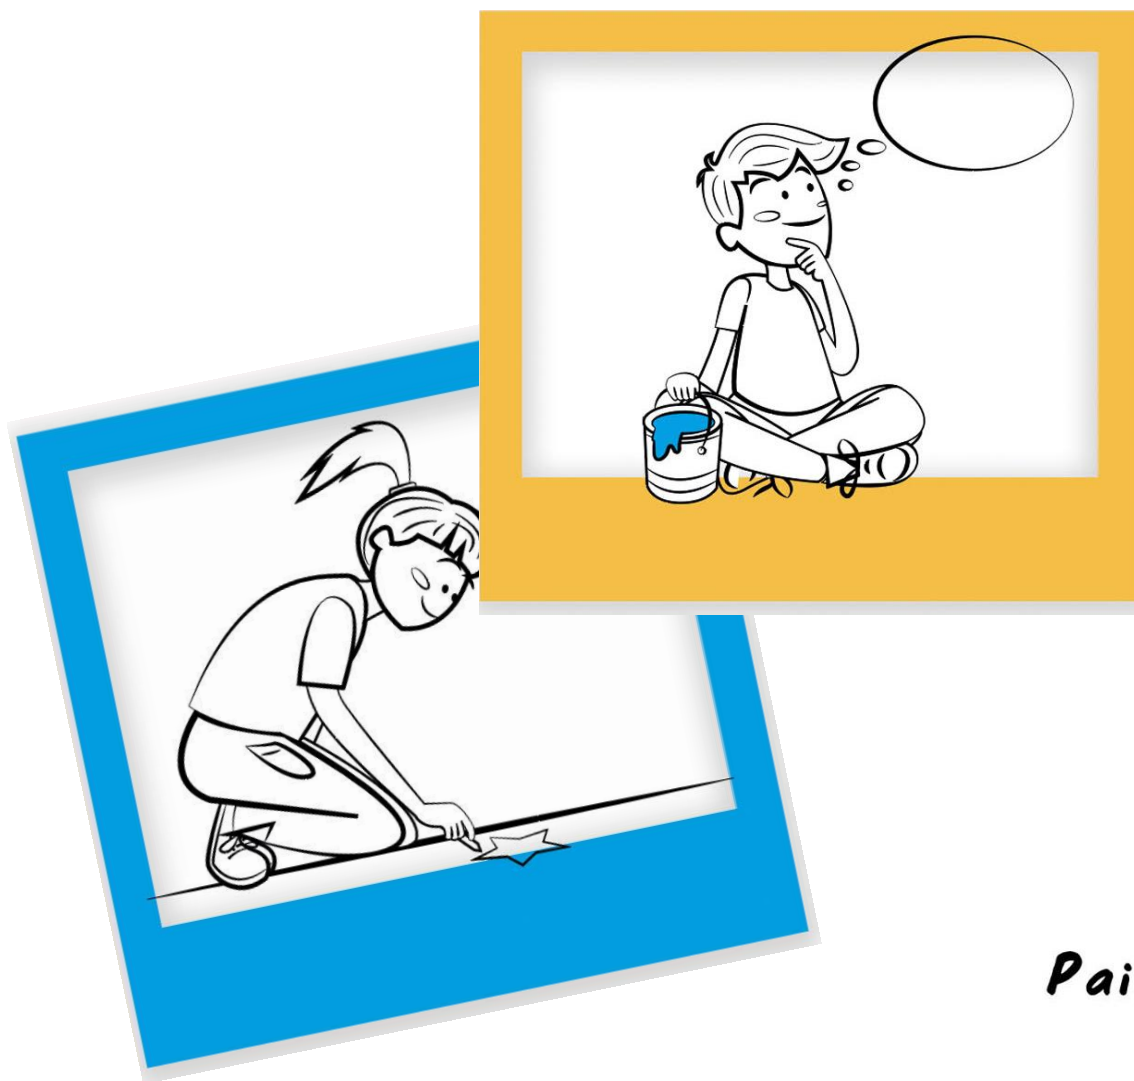

WHY? Already in 2011, several Interreg programmes saw the need to join forces and develop a common activity to **promote the benefits of EU cooperation** within a wider audience. Then, IPA and ENPI joined 😊

WEBSITE – www.ecday.eu

The screenshot shows the website for European Cooperation Day 2018. At the top, there is a navigation bar with the URL 'ecday.eu' and the text 'European Cooperation Day European Cooperation Day'. Below this, the European Union flag is displayed next to the text 'EUROPEAN UNION'. To the left of the flag is the logo for 'EUROPEAN COOPERATION DAY' with the tagline 'Sharing borders, growing closer'. A 'Log-in' button is located in the top right corner. The main navigation menu includes links for 'Events', 'About', 'Memories', 'Materials', 'Social Hub', 'Contest', and 'Co-organizers'. The central banner features the year '2018' in large blue letters, followed by the text 'Painting our future together'. Below the banner are two square frames: a blue one on the left showing a child painting a line on the ground, and a yellow one on the right showing a child sitting on the ground with a paint bucket and a thought bubble. To the right of these frames is a large illustration of a woman and a child painting stars. The bottom section of the website is titled 'EVENTS' and includes the text 'Find the event nearest to you'. It features a search bar with the placeholder 'Search location or name' and three buttons: '< 21 Sep', '21 Sep', and '> 21 Sep'. Below the search bar, there are two event listings: '30 Aug Drawing competition: What is cooperation? Malta' and '30 Aug European Cooperation Day 2017 kick-off Tallinn, Estonia'. On the left side of the 'EVENTS' section, there is a map of Europe with various colored pins indicating event locations across different countries.

Same structure.
