EC Day 2018 – The first steps to local events
11 April 2018
Webinar - Interact collaboration platform

09.45 – 10.00	The participants join the pre-set meeting room

10.00 – 10.10   **Introduction**
Nebojsa Nikolic, Interact

10.10 – 10.30   **Introduction to the EC Day Communities network platform**
Nebojsa Nikolic, Interact
- Page navigation – how to access and use the basic functions
- Utilisation of page resources for planning and implementation of local EC Day events.

Objectives of the session: To help the community members make the most out of the new networking platform, to make the transition from Basecamp easier and to help the programmes find the content and support they will need in order to organise a local EC Day event.

10.30 – 10.50   **Overview of the 2018 campaign timeline and updates**
Laura Belenguer, Interact

Objectives of the session: To present and explain the schedule of main organisational activities in the 2018 campaign such as: launching of the website, ordering the promo materials, uploading local events, etc.

10.50 – 11.15   **Questions and Answers**
Laura Belenguer and Nebojsa Nikolic, Interact

Objective of the session: To answer concrete organisational questions from the community members

Closing of the webinar
