

# Interreg Project Management training

---

Project Management training  
26-27 April 2018 | Malta

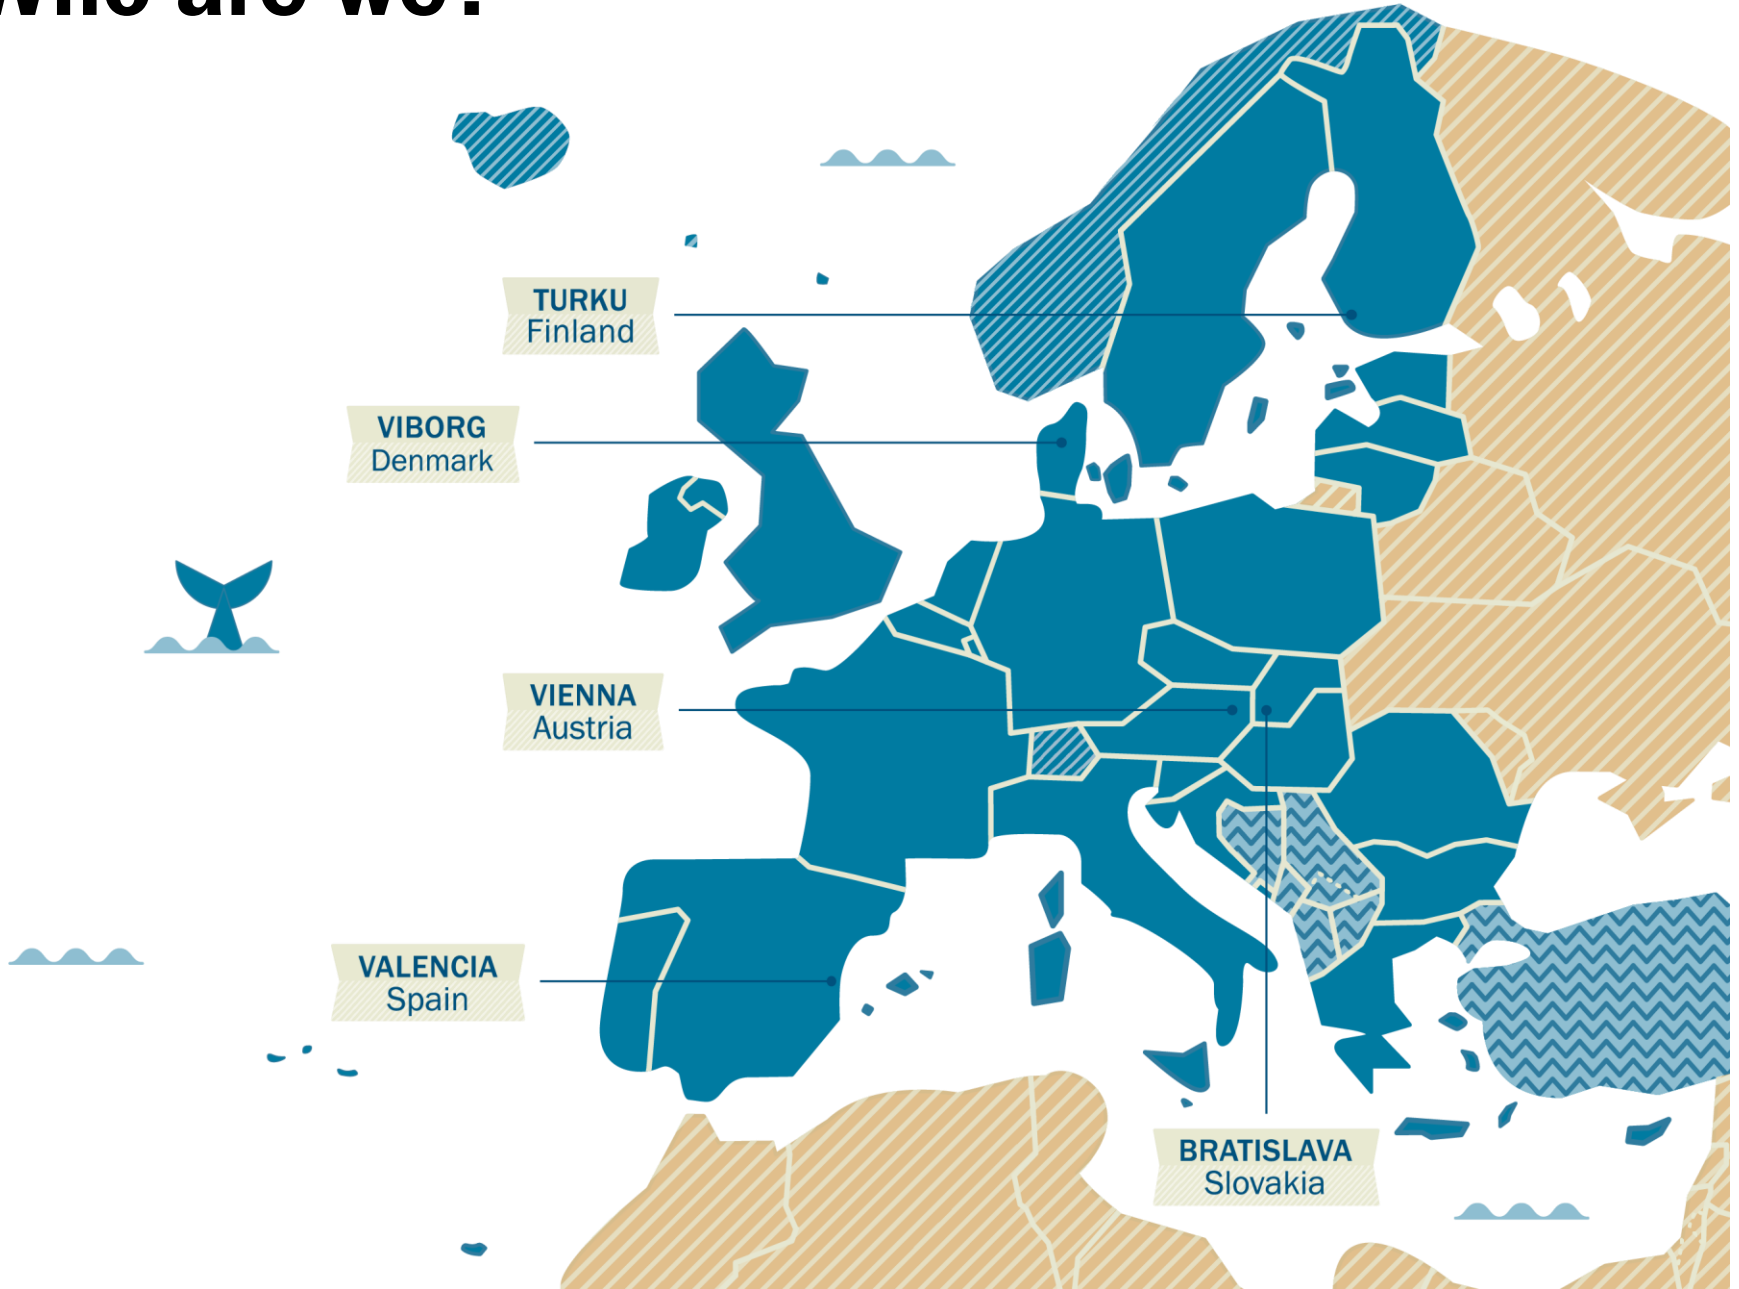

**Tsveta Aleksandrova, Interact**

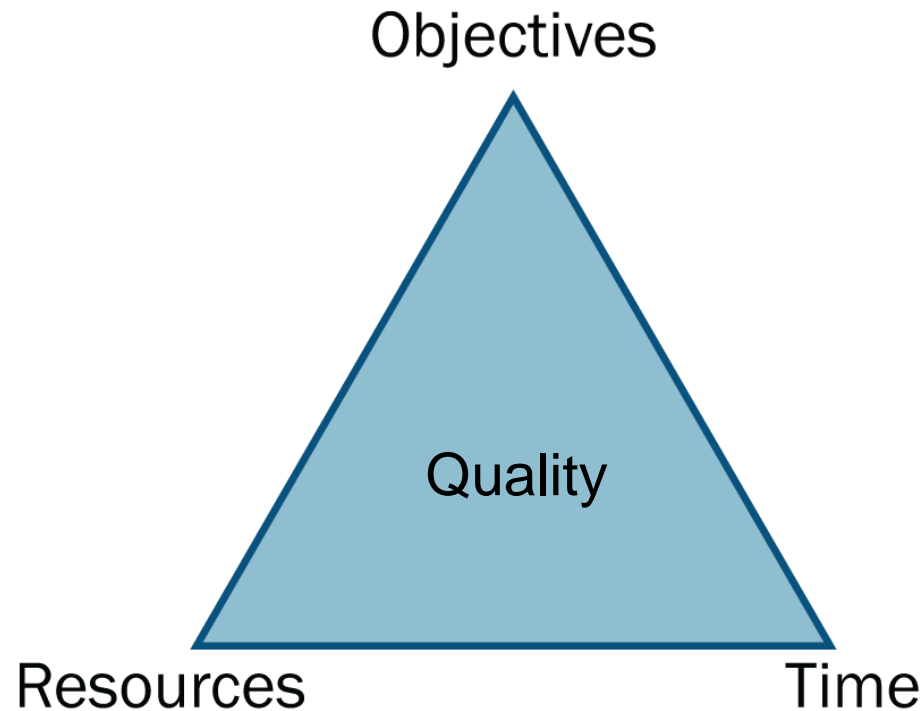

# **Project Management training objectives**

1. Discuss all stages of the project and financial management cycles in the context of Interreg.
2. Identify ways of addressing the most challenging aspects in project and financial management through a case study exercise.

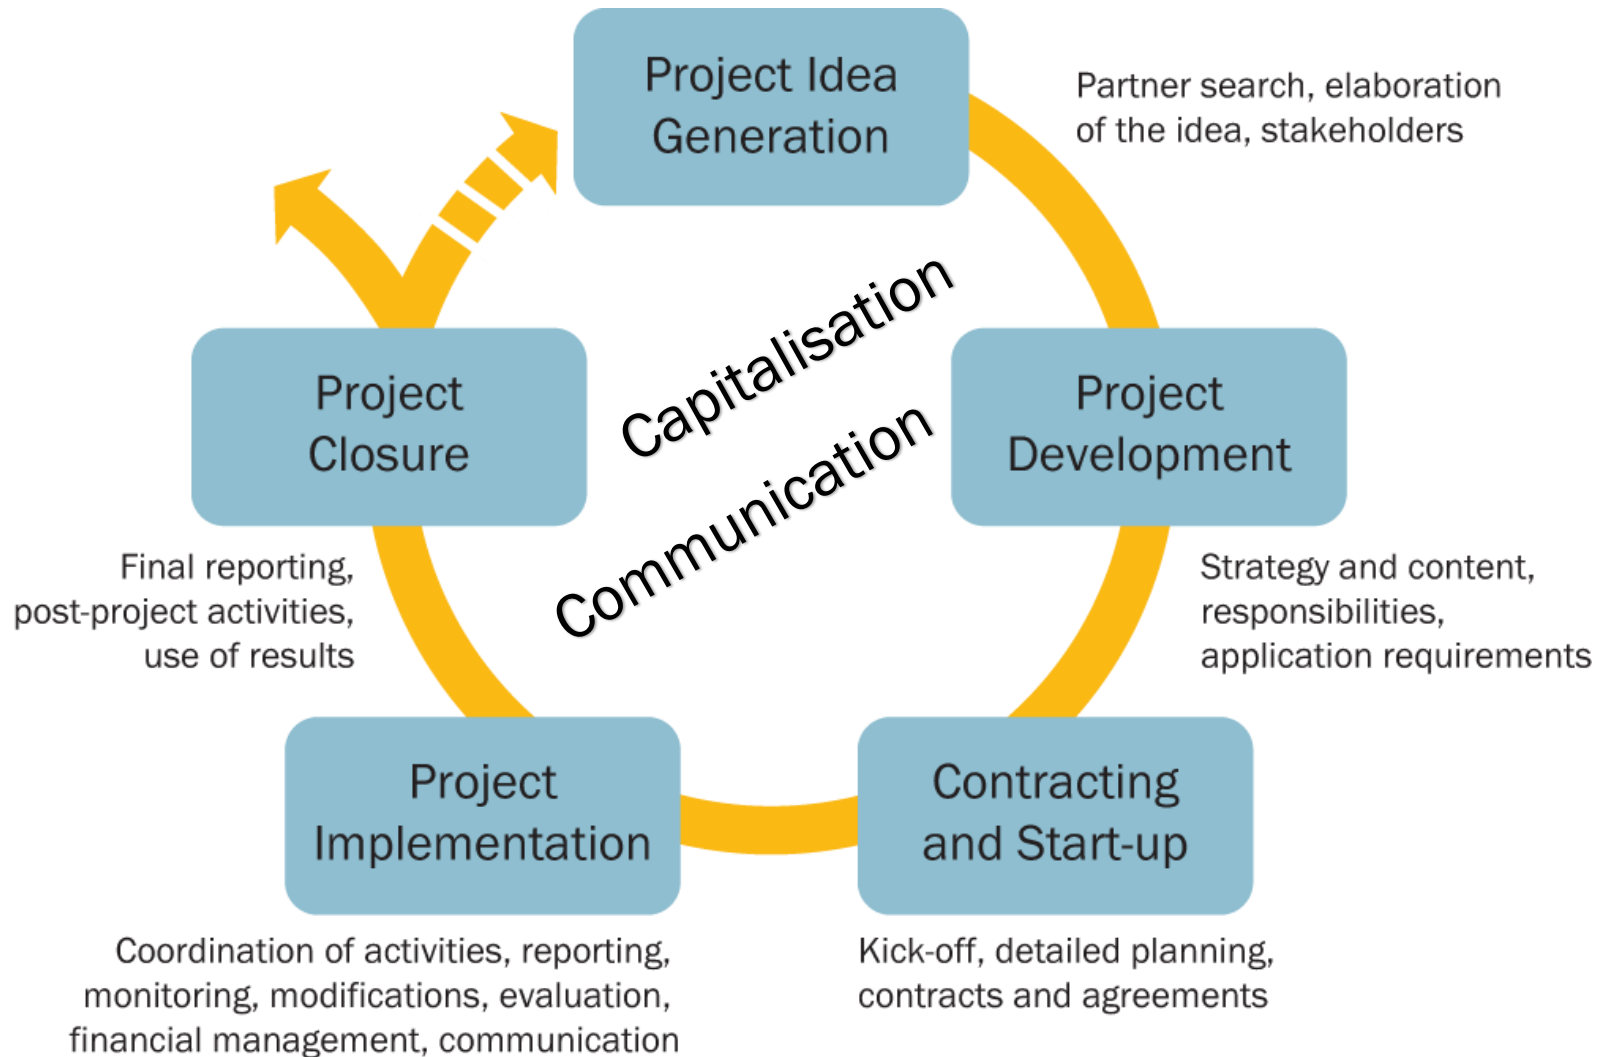

# Who are we?

# What is a project?

# Project life-cycle

# Case study

## Disclaimer

*This case study is not based on any real Interreg project.  
All activities, names and numbers have been developed exclusively  
for the purpose of the Interreg project management training.*
