Katja Ecke invited you to join the [Thematic Network on Audit Support](#) community.  Shared externally

Welcome to the Interact Community for audit support (MA/JS level)!

Purpose of this exchange platform

- *Depository* : let's share information and documents in order to learn from each other and build on good practices.
- *Conversation* : let's exchange on issues, problems, ideas in order to look for solutions together.
- *Agreements* : when appropriate, possible and necessary joint positions and agreements can be formulated and put forward to EC, AAs & beneficiaries...

Interact Collaboration Platform - Documentation for Guest Users

4 people, 2 groups | Updated by [Mikis Moselt](#) | Yesterday at 12:18 PM | Tags: [documentation](#), [iacp](#), [it](#), [manual](#)

In this community you can find essential documentation for Interact Collaboration Platform focused on guest users. Guest users are external users who are not employed by Interact. There is a short tutorial for each of the main features as well as links to more comprehensive product manuals.
