

Introduction to Interreg project management

Interreg project management camp
3-6 July 2018 | Wrocław, Poland

Polona Frumen, Interact Programme

What is a project?

What is project management about?

- Defining objectives
- Planning activities
- Organising resources
- Motivating people
- Controlling resources
- Setting up procedures

In order to:

- ... achieve specific goals
- ... at agreed quality
- ... within specific timeframe

Knowledge
check:
What is
project
management?

Why is Interreg project management special?

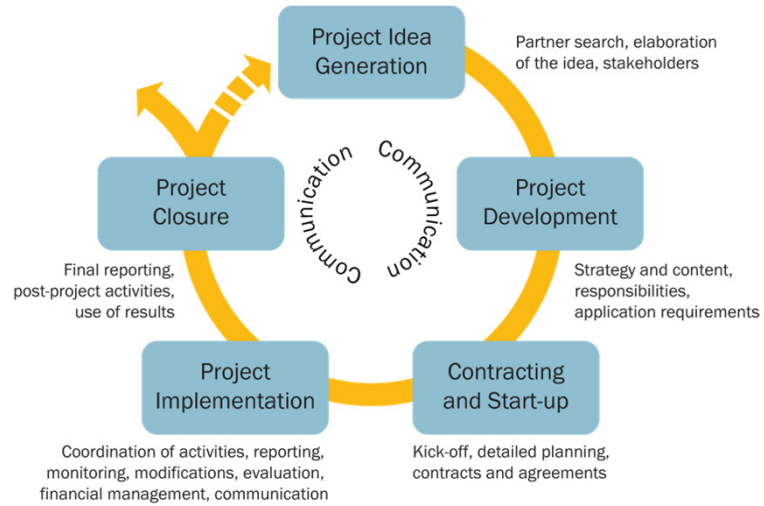

- Mix of working cultures and languages
- Mix of partner types & expertise
- Remote team work
- Defining a shared understanding
- Need for partner liquidity
- Meeting European reporting, control and audit requirements
- Lead Partner principle

...

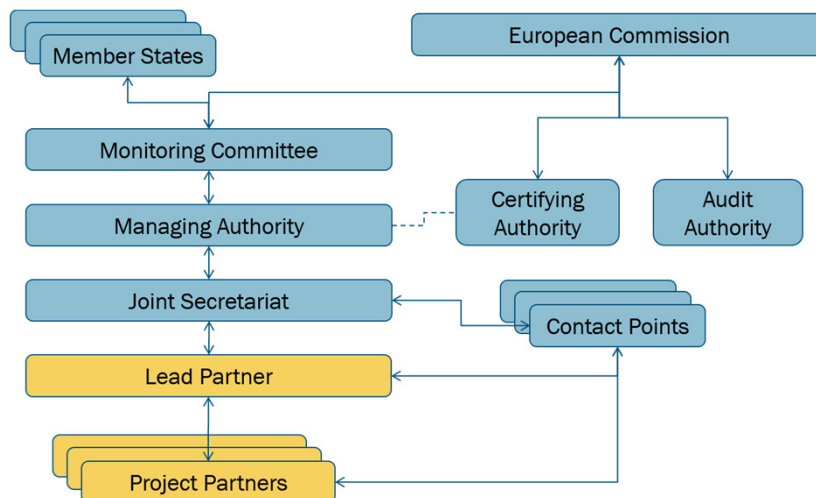

= more complex project management!

What is the
secret
ingredient?

The project lifecycle

Programme structure

Cooperation works
