Welcome words and video

Speed dating

Come and meet those who already did staff exchange

Matchmaking

Find your own staff exchange partner

**We will be there and many others.
Come join us!**

Inter-programme exchange is an excellent opportunity for that because you meet new people, you explore new cities and places, you can exercise other languages and on top you can learn a lot in a short period about the daily work of programmes. For me the exchange was part of my personal development plan, so it was my personal idea but heartily supported by my employer.
