25 September 2018

Brussels, Belgium

Outline

The draft post-2020 regulatory framework is out by now. The main objective of this meeting is to exchange views and collect first opinions from CBC Programme representatives on the draft documents.

Objectives

We will seek to:

- review the key changes to the post-2020 regulatory framework proposed by the European Commission;
- exchange views on these key changes and to discuss different aspects of territorial cohesion and maritime cooperation;
- collect key issues in order to inform Member State representatives and to plan further support to programming in the period post 2020
