Background information on projects of the visiting programme

Life Cycle Tower: The meeting venue for the first day is in the Life Cycle Tower in Dornbirn. The Regional Development Vorarlberg has its offices in this building. The Life Cycle Tower was a demonstration building in the Interreg Central Europe funded project CEC5. More information in English is available on: http://www.projectcec5.eu/strona-27-pilot_investment_in_vorarlberg_austria.html

PlurAlps Project: This project aims to develop a welcoming culture, and improve knowledge and awareness regarding the integration of all types of migrants in Alpine areas. PlurAlps is a transnational project funded by the Interreg Alpine Space programme. More information in English is available on: <http://www.alpine-space.eu/pluralps>

Ich als Kind: The title of the project translates into English as "I as a child". This is a model project of the Region Bregenzerwald that aims to ensure that all children in the

region have equal starting conditions. The project is funded with regional public funds. More information in German is available on: <https://www.ichalskind.at/>

Miteinander – Füreinander: The title of the project translates into English as “Together - For each other”. The project is an innovative multigenerational housing with inclusion aspects. The project is funded with regional public funds. More information in German is available on: <http://mitfuer.at/>

werkraum Bregenzerwald: The Werkraum Bregenzerwald is an association of more than eighty master-craftsman businesses, whose new building points the way forward for the culture of craft techniques. With the support of EU LEADER funds the association has built a modern and internationally renowned exhibition room which was planned by the Swiss architect Peter Zumthor. More information in English is available on: <http://en.werkraum.at/>

Neue Mittelschule Doren: This school is a secondary school that is exemplary for Austria. It combines modern and highly energy efficient architecture with modern teaching concepts and cross-municipal cooperation of small municipalities. More information in German is available on: <http://ths-doren.1.vobs.at/>

DuALPlus Project: This project aims to develop innovations in dual education in order to increase the attractiveness of dual education for skilled crafts and trades in the Alpine Space. DuALPlus is a transnational project funded by the Interreg Alpine Space programme. More information in English is available on: <http://www.alpine-space.eu/dualplus>

Practical information

Venue and travel information

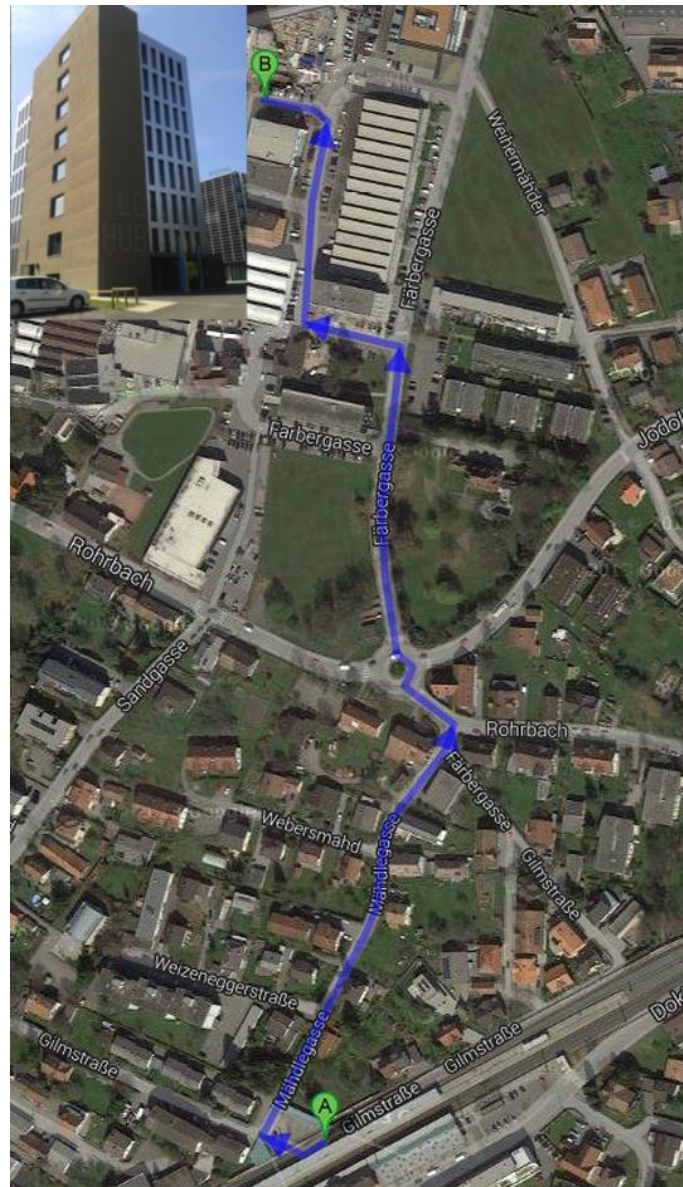

The meeting takes place in the 3rd floor of the Life Cycle Tower One (LCT ONE, Färbergasse 17b, 6850 Dornbirn, Austria). The LCT ONE is located 8 minutes walking distance from the main train station in Dornbirn. It is building L of “Rhombert’s Fabrik” (you will see the signs and the letter L at our building).

If you come **by car** you have to leave the motorway A14 at the exit “Dornbirn Nord”. You can park your car outside the building for free for 3 hours. Next to our building there is a car parking tower (0,30 €/30 min.)

With 45 km distance the **airport** in Friedrichshafen is the closest.

How to reach the LCT by foot from Dornbirn train station

At the train station go through the underpass (not direction city centre but opposite), take the footpath to the right, follow this road to the roundabout, at the roundabout take the 2nd exit, follow Färbergasse and take the first road on your left, then turn right again. You will see a large car parking tower and left is the Life Cycle Tower. The office of the Regional Development Vorarlberg is on the third floor. Walking time 10 min.

Hotel suggestions

Hotels in Dornbirn are already very booked, we recommend you to book as soon as possible!

Maximum daily rate for hotels in Austria (according to the Alpine Space Programme): 130 Euro

- Hotel Katharinenhof, Franz-Michael-Felder-Straße 4, <http://www.hotel-katharinenhof.at/> single room starting from € 70
- Hotel Harry's Home, Kloostergasse 8, <https://www.harrys-home.com/dornbirn/>. Single room starting from approx. € 100
- Hotel Andreas Hofer, Moosmahdstraße 34, www.andreashofer.cc/de/, single room starting from approx. € 80

From Hotel Andreas Hofer it is a 20 minutes' walk to the meeting place, from the other 2 ca. 15 minutes.

Things to do in Dornbirn and surroundings

Vorarlberg is a popular destination with a rich offer for tourists interested in outdoor activities, culture and architecture. For more information, visit the following websites.
