Management verifications and public procurement

9 October 2019

Nicosia, Cyprus

Outlines

The workshop is organised by Interact in cooperation with the Directorate General for European Programmes, Coordination and Development (DG EPCD) in its capacity as an FLC Approbation Body, and with the participation of the Public Procurement Directorate of the Treasury of the Republic of Cyprus which is the competent authority for Public Procurement.

Target group

The target group of the workshop are the first level controllers of Cypriot partners participating in ETC Programmes 2014-2020: Greece-Cyprus, Balkan Med, Med, ENI Med and Interreg Europe.

Objectives

The objective of this workshop is to harmonise the different levels of knowledge about National Control, to identify common challenges and share methods that can improve management verifications in Interreg.

Participants will have the possibility to become familiar with the requirements of the EU Directive and the guidelines for determining financial corrections, to receive guidance on specific areas of verifications and how to deal with the main issues in verification of public procurement. The workshop will also provide a possibility to learn how to verify simplified costs options.

Management verifications and public procurement
