Public procurement in project management

10 October 2019

Nicosia, Cyprus

Outlines

In response to the interest expressed by the Cyprus National Authority (Directorate General for European Programmes, Coordination and Development), we will hold a Project management training for the local stakeholders of ETC Programmes * in October 2019 in Nicosia with the participation of the Public Procurement Directorate of the Treasury of the Republic of Cyprus which is the competent authority for Public Procurement. The training will focus on public procurement, as a topic of interest for the beneficiaries. The workshop will also provide the participants the possibility to learn about project closure and capitalisation.

*It covers project partners of the Greece-Cyprus Programme, Balkan Med Programme, Med Programme, Eni Med Programme and Interreg Europe Programme
