

Interreg Climate Change and Risks Network: who we are and what we do

Interreg Talks: Climate Change, EWRC 2019
8 October 2019 | Brussels, Belgium

Manuel Gonzalez, Interact Programme

INTERact = one of **Interreg** programmes

for **INTERACTION**

of **INTER- REGIONAL**

Interact ensures the exchange of experience, information and innovation in order to promote best practice and make cooperation easier.

We do this through:

- Events
- Publications
- Tools
- Coordination of thematic networks:
Interreg Climate Change and Risk Network

Climate Change and Risks Network

Why did we make it?

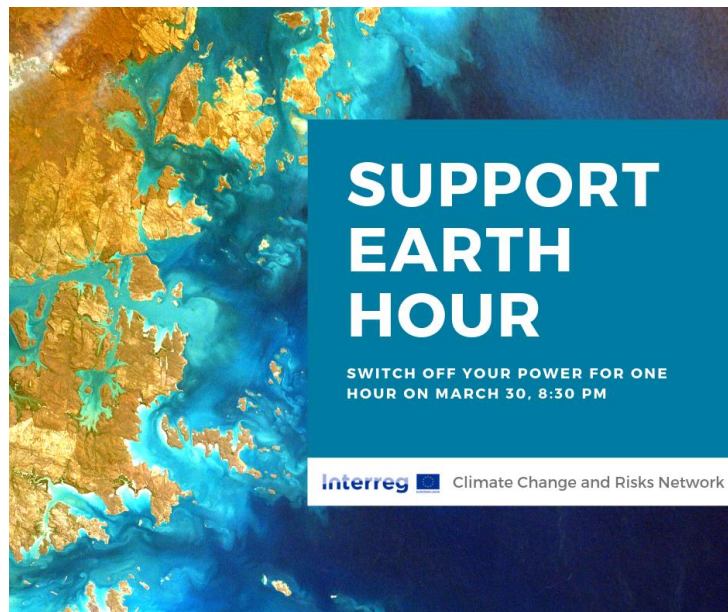

https://www.youtube.com/watch?v=HD8U_9UxIFA

Network activities so far:

- Online exchange platform and option for webinar
- Regular physical meetings and project visits
- Regular newsletters with major updates
- Opportunities for joint social media actions
- Representation at major events:

EU Regions Week, Green Week, UN Climate Change conference, ECCA

Climate Change and Risks Network

What do we do?

<https://www.youtube.com/watch?v=dz33AV7jelE&feature=youtu.be>

Climate Change and Risks Network **project visit in Recas, Romania**
