

## Interreg funded transport in the future - visions

10 June 2020

Online

Day one

Wednesday, 10 June 2020

09.30 – 09.45

Introduction and setting the spirit for the day

*Ulf Wikström, Interact*

09.45 – 10.30

Lessons learned from 9 June seminar. How to make more and better sustainable transport projects? What is the relation to the position paper on ETC Programming for the 2021-27

#Transport4Cohesion

*Robert Spisiak, DG Regio*

10.30 – 11.00

Innovative approaches - how to ensure results and to reach out?

- Cargo bikes in urban mobility

*[Cobium](#), Malgorzata Skolmowska; South Baltic / link to ÖKS?*

- Efficient flow of cargo between Finland and Sweden

*[Efficient flow](#), Ivo Volt, Central Baltic*

- Regenerated mixed-use MED urban communities congested through innovative low carbon Mobility solutions

*[Re-Medio](#), Anastasia Poupkou and Anthi Tsakiropoulou, MED*

11.00 – 11.30

Coffee break

11.30 – 12.30

What can we bring back to our programmes and managing bodies? How can we sell the sustainable transport component fostering a greener Europe in the upcoming period? Introduction to facilitation skills. Thinking and discussion based on:

- Evidence of added value for the citizens

- Boosting cross border regions through better and sustainable transport.

- Forming a greener Europe through innovative transport solutions

Working together across Interreg and across funding actors

- Example of one coordinated approach

*Winfried Ritt, Central Europe*

- Giving and receiving feedback skills

*Name Surname, Organisation*

12.30 - 13.00

**Summary of views and ideas - next steps and closing of the meeting**

*Ulf Wikström, Interact*
