

5th Core group meeting for the development of MS post2020

21 September 2020 (9.30 - 12.00 CET)

DRAFT Agenda

Online meeting

5th Core group meeting for the development of the MS post 2020 21 September 2020

Outlines

The Core group will meet for the fifth time to get an update on the state of play of the MS post2020 and jointly work on designing and specifying the new monitoring system.

Objectives

In this meeting, we will update you on the work progress since the last Core group meeting back in May, including the team update, implementation phase, implemented activities besides the development (branding, participation in relevant events), outcomes of Thematic group work etc. Agreement on the revised and specified scope of the first release (March 2021) is also a crucial part of the planned meeting, as well as group work to discuss and provide feedback on specific thematic questions.
