**13 November (10.00-12.00 CET)**

Online event

Draft Agenda

## **Exchange on MRS & indicators**

**13 November 2020, 10.00-12.00 CET**

### **Outline**

#### **Objective**

This online event gives the four transnational programmes covering the territories of macro-regional strategies (MRS) the possibility to discuss approaches to indicators in the context of macro-regional strategies. The aim of this event is to discuss the plans and needs related to programme indicators and maybe agree on jointly used indicators related to macro-regional strategies.

The focus will be on the following topics:

#### Approach to indicators and ISO1

- Which indicators will the programmes select related to Policy Objectives (PO) and Interreg specific objective 1 (ISO1)
- Which actions respectively Specific Objectives (SOs) are you considering under ISO1?
- What methods for target setting are you considering for ISO1? What might be methodological issues such as counting of organisations appearing in several projects?

#### Types of support and project types

- What types of support are you considering?
- Which types of projects do you envisage?
- How are you planning/arranging the calls?

#### Impact evaluation

- What are your key evaluation questions related to MRS?
- What are first results or findings related to MRS?

#### **Target groups**

The target groups of the meeting are managers from Joint Secretariats and Managing Authorities involved in programme work related to MRS from the following transnational Interreg programmes: Adrion, Alpine Space, Baltic Sea and Danube.
