

TOWARD A MORE CONNECTED EUROPE, 12 November 2020

Cinzia Dellagiacomma, Association of European Border Regions (AEBR)

"Lacking, insufficient or low-quality public transport services are still a reality for many citizens in border regions" EC, [Boosting Growth and Cohesion in EU Border Regions](#), 2017

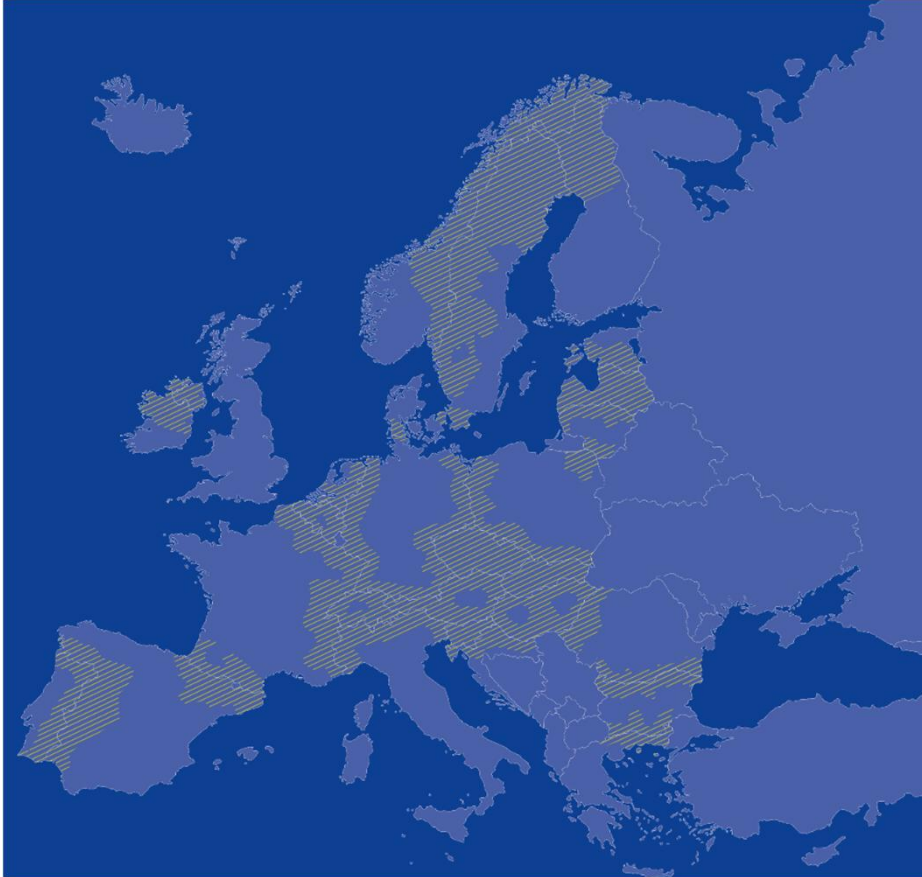

>innovative, creative initiatives are needed to respond to the needs of peripheral, border regions

>>INTERREG

- >shared knowledge
- >exchange information
- >funding

TOWARD A MORE CONNECTED EUROPE, 12 November 2020

Cinzia Dellagiacomma, Association of European Border Regions (AEBR)

BUT specificity of border regions + competence on transport
= obstacles to cross-border cooperation*

>>*b-solutions***

>identify and promote sustainable methods of resolving border obstacles of a legal and/or administrative nature

>>INTERREG

* *Cross-Border Review*, 2015; *Quantification of the effects of legal and administrative border obstacles in land border regions*, Politecnico Milano, 2017; EC's Communication, 2017

** 4th call for proposals to be launched in January 2021. Follow [Futurium/Boosting EU border regions](https://www.futurium.eu) and <https://www.b-solutionsproject.com>
