

The Green Deal approach is for all of us

Reducing carbon and pollutants emissions in transports thanks to Interreg programmes

Andrea Bianchini (European Commission, DG ENV)

The

European Green

Deal

The European Green Deal

Mobilising research and fostering innovation

A zero pollution ambition

for a toxic-free environment

Increasing the EU's Climate ambition for 2030 and 2050

Supplying clean, affordable and secure energy

Mobilising industry for a clean and circular economy

Building and renovating in an energy and resource efficient way

Preserving and restoring ecosystems and biodiversity

From 'Farm to Fork': a fair, healthy and environmentally friendly food system

Accelerating the shift to sustainable and smart mobility

Financing the transition

Leave no one behind (Just Transition)

The EU as a global leader

A European Climate Pact

Environment

The added value of territorial cooperation

A coordinated Cohesion Policy for a greener, lowcarbon Europe

How PO2 can complement PO3 on Sustainable Transports

PO2: A greener, low-carbon Europe by promoting clean and fair energy transition, green and blue investment, the circular economy, climate adaptation and risk

Thank you

Andrea Bianchini
