

Policy Objective 5 – Make it happen

26 November 2020

Online

Before the meeting

- In preparation of the event, participants are kindly asked to
1. Watch and read the various recordings and publications on [Bringing territoriality into Interreg](#) and specifically on PO 5.
 2. Submit your approach to PO 5 and your still open questions regarding PO 5 in the registration.

26 November

Online event – *NB! All times are CET*

12.45 – 13.00

Virtual meeting room open (technical check)

13.00 – 13.20

Welcome and introduction to the meeting, objectives and approach
Philipp Schwartz, Interact

13.20 – 13.50

PO 5 in my future programme – Panel discussion
Ioana Mantog, Interreg Romania-Bulgaria Programme
Melanie Schwarz, Interreg Austria-Germany/Bavaria Programme
Til Seier, Interreg Germany-Netherlands Programme
Josef Tetter, Interreg Italy-Austria Programme
Jean Louis Valls, Interreg POCTEFA (Spain-France-Andorra) Programme
Moderation: Robert Mazurkiewicz, Interact

Programme representatives will share their plans and ideas how to integrate and implement PO 5 in their future programme.

13.50 – 14.45

From strategy to project selection – Open discussion and exchange among programmes
Moderation: Bernhard Schausberger, Interact

In this session, participants will be given the opportunity to further elaborate on their plans and/or open questions – and the other participants are invited to respond. The discussion will be structured around the following stages in implementation from setting the strategy to project selection:

1. Setting the strategy/strategies
2. Approving/endorsing the strategy/strategies
3. From project intent in the strategy/strategies to project applications fit for grant letters
4. Approach to assessment and selection

The maritime dimension of 2021-2027 programming

24 November 2020

Online

14.45 – 15.00

Summary and next steps

Mercedes Acitores, Interact

This session will be used to summarise the discussion and to identify, together with the participants, how to proceed with PO 5 and which support Interact could provide.
