# How to use capitalisation for post 2020 Programmes?

AGENDA
18 February 2021
On-line 09:30 – 12:00 CET

How to use capitalisation for post 2020 Programmes?
18 February 2021
On-line 9:30 – 12:00 CET

Concept

Following the recent release of the **Capitalisation Management Guide**, and the event on "the Concept of capitalisation in Interreg 2020+", Interact would like to provide a session on practical doubts on how to set-up and use capitalisation for the implementation of Interreg programmes 2021-2027. We aim at achieving this by combining the main results of the Guide, with an exchange among experts and experienced Interreg Programmes. The goal of this event is both to inspire and train Interreg programmes' staff in the use of the capitalisation approaches described in the guide.

Objectives

This online session intends exploring doubts or concerns and providing answers to the main doubts of Interreg programmes practitioners in charge of capitalisation activities, for the setting up of efficient and valuable capitalisation approaches.

Answers will be linked to the existing Capitalisation Management Guide and the Capitalisation Toolkit for the implementation of such approaches. Together, we will explore the main items and steps of capitalisation approaches.

This event foresees an active contribution from all participants:

➢ We encourage participants to submit and ask their main questions about the use of capitalisation post 2020, as well as sharing ideas at **www.slido.com** with code **#86334**

Who is this meeting for?

This online event on Capitalisation is addressed to Interreg, Interreg IPA-CBC and ENI CBC programmes' staff from the Joint Secretariats, Managing Authorities, and other relevant programme bodies (NCPs, MC Members, etc.) who are directly involved in capitalisation work and activities.

Contact: Ivano Magazzu (ivano.magazzu@interact-eu)
             Manuel Gonzalez (manuel.gonzalez@interact-eu.net)
