

## **From theory to *practice*: Implementation of SCOs**

**3 March 2021**

**Online, Zoom**

**CET**

**Wednesday, 3 March 2021**

**09.00 – 09.15**

Welcome and onboarding

**09.15 – 09.30**

### **Updates from the Interreg SCOs community**

*Interact*

- News from the EC and other networks (e.g., Appendix 2, SCO checklist, ERDF/CF TN SCOs network)
- Updates from other Interact activities (HIT, Jems)

Objectives of the session: to provide an overview on the SCOs developments since our last online meeting (July 2020)

**09.30 – 10.15**

### **State of play of SCOs methodologies preparations**

*Interreg programmes (tbc)*

- Exchange on the process of developing SCOs post2020
- Q&A

Objectives of the session: to exchange on the state of play in preparation of SCOs for the 2021-2027 programming period

**10.15 – 11.00**

### **SCO implementation: reporting and monitoring**

*Interact, all*

Objectives of the session: to exchange on dos and don'ts of SCOs implementation; to identify programme/project tools and templates and how they are affected once SCOs are used as well as areas of communication.

**11.00 – 11.15**

Comfort break

**11.15 – 11.45**

### **Combinations of SCOs**

*Interact, all*

Objectives of the session: to exchange on practical implications of combining different SCOs; how to avoid double financing when SCOs are used.

## **From theory to *practice*: Implementation of SCOs**

**3 March 2021**

**Online, Zoom**

### **11.45 – 12.15    Unit costs for meetings/events**

*Interact and all*

- How to develop an Interreg-specific SCO

Objectives of the session: to find out which programmes are interested in the Interreg-specific unit costs for meetings/events; to brainstorm and work together on how to proceed (e.g., how to collect data)

### **12.15 – 12.30    Wrap-up and closure**

*Interact*

- Next steps
- What's coming
