Interpretation of common indicators

19 March 2021, 09:30 – 12:30 CET

Outline

Following up on our last events related to intervention logic, methodology paper and indicators we would like to invite you to discuss the interpretation of a couple of selected common indicators. The purpose is to share reflections on making the definition(s) provided in the fiche operational in the context of the programmes. We would like to discuss following indicators:

Common output indicators for the ERDF for Interreg

- RCO 81 – Participations in joint actions across borders
- RCO 115 – Public events across borders jointly organised
- RCO 82 – Participations in joint actions promoting gender equality, equal opportunities and social inclusion
- RCO 83 – Strategies and action plans jointly developed
- RCO 84 – Pilot actions developed jointly and implemented in projects
- RCO 116 – Jointly developed solutions
- RCO 85 – Participations in joint training schemes

Common result indicators for the ERDF for Interreg

- RCR 79 – Joint strategies and action plans taken up by organisations
- RCR 104 – Solutions taken up or up-scaled by organisations
- RCR 81 – Completion of joint training schemes
- RCR 85 – Participations in joint actions across borders after project completion

The condition of participation to this meeting is that you will share how the above mentioned indicators are understood in your programme. We will ask you to send us your interpretation in written before the event. All these interpretations will be shared with the participants already a week before the event. During the meeting we will then discuss the different understandings of the indicators.

Target group

The online session is for experienced MA and JS staff, who answered to the Expression of Interest, which was published in the Thematic Network 'Results and Evaluation'

Please take note, that we will exclusively focus on the interpretation of common indicators, we will not discuss the basics of drafting the intervention logic and setting targets.

If you would like to learn more about the intervention logic, check out our [Q&A Intervention Logic and Methodology Paper](#).
