

Fixed percentage staff costs calculation method
05 May 2021
Online

CET

Wednesday, 05 May 2021

09.30 – 09.45 **Introduction & objectives of the workshop**
Interact

09.45 – 10.30 **Fixed percentage method – background & general information**
Interact & all

- Legal background
- Summary of the fact sheet

This session aims at presenting the legal background and requirements of this method for staff costs calculations. We will go through the main points of the fact sheet on fixed percentage drafted by Interact and commented by several Interreg programmes intending to use/ using this method.

10.30 – 10.45 Comfort break

10.45 – 11.45 **Hands on fixed percentage method – Q&A and work on further harmonisation**
Interact & all

This session is dedicated to questions and answers and discussion of open points, if any. The session also aims at the work to further harmonise application of the method among Interreg programmes (the way method is described in the programme manual, etc.).

11.45 – 12.00 **Closure of the meeting & next steps**
