#### **Objectives**

Together with the colleagues from DG REGIO, OLAF and EPPO we organise this anti-fraud seminar for Interreg programmes, the objectives of which are to:

- Present the novelties in the domain of anti-fraud for Interreg
- Provide answers to questions handed in during the registration
- Offer room to raise questions

#### **Please note!**

We kindly ask you to use the opportunity to raise questions in the registration since the room for interactive Q&A might be quite limited - depending on the number of participants.

All Interreg stakeholders and programme bodies are invited to attend (managing authority, joint secretariat, Member State representatives, monitoring committee members, audit authorities, group of auditor members, etc.). The event targets Interreg programmes from all strands.
