

Please indentify possible frameworks for the optimal re-use & transfer of Interreg results

→ 1-2 post-it/person

Interreg programmes: It would be helpful to establish a database of viable (successful) results to be further capitalised/valorised in order that potential applicants can build on own results but also results from other projects.

Please identify the main characteristics for targeting the re-use & transfer of results

→ 1-2 post-it/person
