Agenda

BI dashboard – kick off meeting

Online, 09 March 2022

Objective

This meeting is organised with a group of geographically close programmes wishing to develop, in co-creation with Interact, a data management tool in the form of a BI dashboard with the purpose to exchange pre-defined types of data in order to achieve common goals or define joint actions.

Who is this event for?

This meeting is limited to the programmes that have expressly volunteered to develop this tool in co-creation with Interact. It is therefore by invitation only.

Agenda

11.00 – 11.10	Welcome and basic presentation of the tool, as well as the objective for the meeting
11.10 – 11.30	Alignment of expectations between participating programmes and Interact
11.30 – 11.55	First roundtable regarding requirements/ specifications
11.55 – 12.00	Agreement on next steps and closing of the meeting
