Agenda

BI dashboard – workshop 1

Online, 22 March 2022

Objective

This meeting is organised with a group of geographically close programmes wishing to develop, in co-creation with Interact, a data management tool in the form of a BI dashboard with the purpose to exchange pre-defined types of data in order to achieve common goals or define joint actions.

Who is this event for?

This meeting is limited to the programmes that have expressly volunteered to develop this tool in co-creation with Interact. It is therefore by invitation only.

Agenda

10.00 – 10.10	Welcome and recap from kick-off meeting
10.10 – 11.00	Exchange centered around data fields of the application form
11.00 – 11.10	Comfort break
11.10 – 11.55	Continued exchange around data fields of the application form
11.55 – 12.00	Agreement on next steps and closing of the meeting
