15ᵗʰ Core group meeting for the development of the Jems

9-10 May 2021 (9.30 - 12.30 CET)
Online meeting

FINAL Agenda

Outlines

The Core Group will meet for the 15th time to get an update on the state of play of the Jems and jointly work on designing and specifying the Jems.

Objectives

In this meeting, we will update Core group members on the progress since the last Core group meeting and on the state of play of other activities besides the development. Also the status of development of next Jems release will be discussed.

The meeting aims to look ahead to the development of future features, where Core Group members shall be invited to take an active part. In the thematic sessions the final approach for checklists and upcoming phase 2 features will be presented and discussed.
