

Levelling up SCOs
13 June 2022
Online

CET

Monday, 13 June 2022

12.00 – 12.15

Check-in and onboarding

12.15 – 13.00

Introduction and objectives of the event
Updates in the SCOs community

Interact

Objectives of the session: to get an overview of the developments in the SCOs community since last meeting in autumn 2021 (e.g., updates from the TN SCOs network, clarifications on certain matters, section "Questions in our mailboxes")

13.00 – 13.45

Experience with communicating SCOs to beneficiaries in the first calls for proposals of the new programmes

Interact & participants

Objectives of the session: to exchange on good practices, tips and recommendations of communicating SCOs to beneficiaries in the first calls for proposals of the new programmes.

13.45 – 14.30

Peer-review of SCO methodologies

Interreg programmes - tbc

Objectives: to exchange on the programme-specific methodologies; to receive feedback and ask questions.

14.30 – 14.45

Comfort break

14.45 – 15.30

Re-using SCOs from other Interreg programmes

Interact

Objectives: to get updates on the interpretations of Article 53(3), points (c) and (d) and to discuss workarounds and things to consider for Interreg programmes wishing to use SCOs from other Interreg programmes in their programmes.
