

Arachne in Interreg
4 March 2022 (10.00 – 12.00 CET)
Online

Day one
CET

Friday, 4 March 2022

10.00 – 10.10 **Access of participants to the online platform, technicalities**

10.10 – 10.20 **Introduction (participants & objectives)**
Besiana Ninka and Florin Neculcea, Interact programme

10.20 – 10.40 **Arachne Interreg Survey 2021**
Florin Neculcea, Interact programme

This session aims to share the survey's outcomes on using the Arachne risk scoring tool in Interreg

10.40 – 11.20 **Arachne project**
Luc Molemans, Arachne Project manager

This session aims to inform about the features, functionality, and benefits of using the IT system, the use of Arachne, and the possibility of using the Arachne risk scoring tool results.

The use of the Arachne risk scoring tool
Luca Baldin, EMPL.REGIO.DAC.1. Audit I

This session aims to inform you about the possibilities of using Arachne data and how useful this information is for your work.

11.20 – 11.50 **Questions & answers session, sharing experiences with Arachne**
All participants

This session aims to answer the questions related to the presentations and the survey's comments and questions; we are also keen to share experiences with Arachne in the current programming period and planned approaches for the 2021–2027 programming period.

11.50 – 12.00 **Summary and closure of the meeting**
