Workshop on P05 #2

Online, 26 January 2023

Outline

Policy Objective 5 (P05) stands out among the objectives of Cohesion Policy since it is strategy-based and focussed on the development of territories according to their specific needs.

For some of the programmes the approach is new and unprecedented and it is the time to develop the implementation system. This is the follow-up to a workshop held on October 19, 2022 and again we invite you to share concerns and options and get in touch with colleagues. Olivier Baudalet from DG Regio, Unit D2 and colleagues from Interreg Italy – Austria will join us.
