

Jems User group meeting (3)

29-30 March 2023

Ljubljana, | Slovenia

Jems User group meeting (3)

29 March 2023

Ljubljana | Slovenia

Outlines

Interact invites all the programmes that signed the licence agreements for Joint Electronic Monitoring System (Jems) to join the Jems User group meeting.

The Jems User group meeting exclusively gathers programmes that are already using Jems or are taking the first steps to install it in their environment.

We want to encourage the participation of colleagues who are directly involved in the work with Jems and are familiar with the system's business logic.

We will accept two participants per programme to ensure fair representation of the programmes. Service providers of programmes are invited to the meeting as well.

This agenda provides a general overview of how the meeting is planned and structured.

Objectives

The meeting aims to:

- Inform on the state of play of the development of Jems.
- Provide a platform to exchange the most interesting topics
- Gather feedback on the practical use of the system

The final agenda will be sent out one week before the meeting (in case of changes in the content).

Jems User group meeting (3)
