Workshop on P05 #3: AT-DE; evaluation

Online, 07 November 2023

Outline

Policy Objective 5 (P05) stands out among the objectives of Cohesion Policy since it is strategy-based and focussed on the development of territories according to their specific needs.

This is the fourth workshop in a series of workshops where we want to present the different approaches to P05 and offer the opportunity for exchange among practitioners.

For this workshop we have invited the colleagues from **Interreg Austria-Bavaria** Programme to present their approach. In the second part of the meeting we wanted to offer the opportunity to exchange on **specificities of P05 when it comes to evaluation**.
