EGTC as a potential beneficiary of Interreg programmes

6 September 2016

10.00am CEST (2 hours)

Webinar - on-line meeting

EGTC as a potential beneficiary of Interreg programmes

6 September 2016

Webinar - on-line meeting

Target group

European groupings on territorial cooperation (EGTCs) interested in what is Interreg and how they could get involved in Interreg project/programme.

Interreg Programmes interested to get to know potential advantages and challenges of involving EGTC in their project/programme and possible solutions on how to do it.

Objective

The objective of the webinar is to give a short introduction to EGTCs on how Interreg works, what are key thematic priorities as well as requirements and potential challenges for EGTC when applying for funding from Interreg programmes in general (please note that no specific case will be discussed). We will also discuss practical aspects of being involved in Interreg project, like possibility of benefiting from rule on eligibility depending on a location or acting as sole beneficiary. This kind of information can be useful for Interreg programmes that plan on involving EGTC as their potential beneficiaries.

Webinar is an on-line seminar when no travelling is required as participation is via the internet. A key feature of a webinar is its interactive elements: the ability to give, receive and discuss information in real-time. The potential participants will receive a link which will give them access to the on-line meeting. For that, please, [register](#) here.

Language

The event will be held in English.
