SMART objectives

SPECIFIC

You will learn about project finance.

You will be trained in all aspects of project finance in the project lifecycle, from project idea generation to project closure .

MEASURABLE

You will better understand fraud and anti-risk assessment.

You will be able to clearly explain to new project staff how fraud is defined in Interreg projects, and provide reliable on-line support for projects in using the Arachne tool.

ACHIEVABLE

After your first month of training, you'll be able to cover for our senior finance officer during her 6-month maternity leave.

After you have completed your 2-year training you'll be able to represent the senior finance officer at project meetings.

RELEVANT

When your training is completed, you'll be able to write the programme's communication plan.

When your training is completed, you'll be able to write a beginner's guide for project staff who are new to project finance.

TIME LIMITED/TIME DEFINED

In time you will be able to manage a few small projects on your own.

After your first year of training in the programme you'll be able to manage a few small projects on your own.

So, how should you eat this elephant?
