

Developing models for coordination and cooperation

Agenda, 4 April 2017

2nd Task Force meeting to describe existing and develop pilot models for coordination and cooperation across programmes

Hotel la Residence du Vieux-Port (18 quai du Port, 13002)
Marseille, France

Describing and developing models for coordination and cooperation: 2nd Task Force meeting

4 April 2017
Marseille, France

Background

During the events organised by Interact in 2016 it was concluded that coordination and cooperation among Interreg programmes and beyond is not yet a daily practice but rather an exception. Therefore in late 2016 Interact established a group of representatives of Interreg programmes to develop and describe practical models for coordination and cooperation (Task Force).

The 1st Task Force meeting was held on 20 December in Berlin, Germany. The meeting was aiming at getting to know each other, sharing expectations towards the outcome of the Task Force work, agreeing on common understanding of the tasks as well as identifying some coordination and cooperation practices that would be further described.

Following up on in, the first descriptions of the coordination and cooperation models were drafted. The Task Force will continue working on the model descriptions in its upcoming meeting.

Objectives

Overall objective of the Task Force is:

- 1) collecting existing knowledge and coordination and cooperation models,
- 2) developing new models for coordination and cooperation.

Considering initial discussions and agreements made by the Task Force, the 2nd meeting is aiming at discussing each of identified models in more details. This will not only further develop the descriptions and add ideas about how each of the models can be implemented, but also will identify open issues for further development.

Location and venue

The 2nd Task Force meeting will be held in [Hotel la Residence du Vieux-Port](#) (18 quai du Port, 13002, Marseille).

How to get there, please check the information on the Hotel website [here](#).

Describing and developing models for coordination and cooperation: 2nd Task Force meeting

4 April 2017

Marseille, France

Timetable

09.00 – 09.20

Welcome and state of play

Baiba Liepa and Mercedes Acitores Franzon, Interact

09.20 – 10.00

Coordination and cooperation with other funding sources: experience of Interreg South Baltic Programme?

Vassilen Iotzov, Interreg South Baltic programme

Discussion

10.00 – 10.30

Coffee break

10.30 – 12.30

Coordination and cooperation models: development, status and open issues for further consideration

- Short presentation of the model
- Discussion addressing the following questions:
 - *Is the model description clear?*
 - *Does the description presents enough ideas for practical implementation of the model? Are all of the listed activities (under 'Implementation in practice') relevant and specific for this model?*
 - *Does the example provide description of the model in a clear way?*
 - *Any additional suggestions?*
 - *Can we consider the model description finalised?*
 - *Are there any open issues to be addressed?*
 - *Are there any expectations towards Interact for implementing the model in practice?*

Model 1: Coordination and cooperation with other Interreg programmes on programme procedures

Group presenting model

Model 2: Coordination and cooperation with other Interreg programmes within related programmes priorities/themes

Group presenting model

Model 3: Coordination and cooperation across projects funded within same or different programmes

Group presenting model

12.30 – 13.45

Lunch

13.45 – 15.45

Coordination and cooperation models: development, status and open issues for further consideration (continuation)

Model 4: Coordination and cooperation between Interreg and national and regional (ESIF) programmes

Group presenting model

Describing and developing models for coordination and cooperation: 2nd Task Force meeting

4 April 2017

Marseille, France

Model 5: Coordination and cooperation between Interreg and other EU wide programmes and funds

Group presenting model

15.45 – 16.00

Summing up and closing of the meeting

Baiba Liepa and Mercedes Acitores Franzon, Interact
