## Spending 2007-2013 lessons learnt

01 June 2017

Vilnius, Lithuania

### Outline

There was a survey conducted on Interreg programmes spending level during programming period 2007-2013. The survey also collected information on the methods used to ensure the satisfactory level of spending. The results of the survey will be presented during the meeting, methods used and lessons learnt will be analysed and further discussed.

The participants will all discuss possibilities of implementation of recognised measures to be used for the programming period 2014-2020.

### Objectives

During the event participants will:

- Discuss the results of survey on 2007-2013 spending
- Identify measures and methods used and possibilities to use them also during perspective 2014 – 2020
- Identify the new opportunities and challenges connected with annual accounts and their influence on a programme spending level.

### Target group

This event is targeted towards programmes, which filled in the survey on 2007-2013 spending and other programmes staff interested to learn more on how to ensure the proper programme spending level.

The event is opened to all Interreg programmes, however to ensure the space for discussions and working atmosphere the number of participants will be limited to 30.
